EXPLANATION OF TRANSCRIPTS

I. Wichita State University (WSU) was founded as Fairmount College in 1895, and was operated by the Congregational Church until 1926, when it became the Municipal University of Wichita. It officially entered the state system of higher education in 1964. Wichita State is accredited by the Higher Learning Commission; specific academic programs also are accredited by professional organizations.

II. Each calendar year consists of two semesters and one summer session. A 'credit hour' is a measure of graduate or undergraduate academic work represented in intended learning outcomes and verified by evidence of student achievement that reasonably approximates one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work for each week of instructional time for approximately fifteen weeks for one semester, or an equivalent amount of work over a different amount of time.

III. All courses in which the student was still enrolled after the add/drop period are listed. Transfer work is listed by institution with full course details. Acceptance of credit does not necessarily mean that it counts toward a student's degree program at WSU.

IV. **GRADING SYSTEM**

A	= Excellent	**W or WD**	= Withdrawn
B	= Good	**AU**	= Audit
C	= Satisfactory	**NGS**	= No grade submitted
D	= Unsatisfactory	**CRE**	= Credit by examination or by credentials
F or WF	= Failure or Withdrawn Failing	**IP**	= In-Progress; completion not required in one semester
P	= Passing work (B, C, or D); credit given, no grade points	**I**	= Incomplete
CR	= Credit (A, B, or C); credit given; no grade points		
NCR	= No credit (D or F); no grade given; no grade points (does not necessarily imply failure)	**BG**	= Badge(A, B, or C); credit given; no grade points
		NBG	= No Badge (D or F); no credit given; no grade points (does not necessarily imply failure)
S	= Satisfactory(A, B, or C); credit given; no grade points		
U	= Unsaisfactory(D or F); no credit given; no grade points		

P, CRE, CR, and S hours (earned hours without grade points) do not count in computation of Grade Point Average (GPA) but are included with overall hours earned. ***Plus/minus grading began Fall 2009 - see "Grade Points" below.***

ACADEMIC STANDING: Good Standing, Academic Probation, Probation Continued, Academic Dismissal - reflects the academic regulations and standards of the institution.

V. **GRADE POINTS and GRADE POINT AVERAGE:** Grade points are assigned for each hour of work according to the grade attained as follows:

A = 4.000 points	B+ = 3.300 points	C+ = 2.300 points	D+ = 1.300 points F = 0 points
A- = 3.700 points	B = 3.000 points	C = 2.000 points	D = 1.000 point AU, I, IP, W, WD, WF, CRE, CR, NCR, S, U, P = no points
	B- = 2.700 points	C- = 1.700 points	D- = 0.700 point

The GPA is computed by dividing the total number of credit points by the total number of semester hours completed for which regular letter grades (A, B, C, D, F) are assigned. GPA's are calculated and applied to three decimal places (truncated) although only two decimal places print on the transcript.

VI. **Z GRADES AND REPEATS:** Any hours where the grade is preceded by a 'Z' do not count, in earned hours or GPA calculation.

REMARKS (R) COLUMN CODING - USUALLY FOR REPEATED COURSES:

E = This grade and hours are *excluded* from GPA calculations and earned hours.
I = This grade and hours are *included* in GPA calculations and earned hours.
A = This grade and hours are included in GPA calculations but not in earned hours.

VII. **TOTALS:** Three sets of totals are listed at the end of each record: WSU, Transfer, and Overall. Totals include only hours and grade points for coursework taken at the level indicated on the transcript.

VIII. **UNDERGRADUATE HONORS**

Semester: Dean's List: Students enrolled in 12 or more hours of graded work who achieve a 3.500 or higher GPA (began Spring 1980).
                  Academic Commendation: Students enrolled in 6-11 hours of graded work who achieve a 3.500 or higher GPA (began Fall 1988).
